Discussion

- Pura C™ is a functional Vitamin C formula with the addition of 7.5mg of BioPerine® per capsule.
- BioPerine® is a proprietary, patented piperine extract that has been shown in clinical studies to increase the bioavailability of vitamin C by up to 40%.
- Vitamin C provides valuable antioxidant protection and supports the production of collagen and healthy connective tissue.
- Pura C™ is buffered to help prevent potential stomach upset often found with high dietary ascorbic acid intake.
